About The Awards and Organizations That Sponsor Them:

The Advertising Club of Kansas City (OMNI awards) strives to support the advertising, marketing and communications community by providing information to members and students, and by developing their professional and technical abilities through educational and professional opportunities. Their mission is to enhance the professional development of the club's diverse membership, while increasing local and national recognition for the advertising industry. The Advertising Club of Kansas City sponsors the OMNI awards locally in Kansas City and surrounding areas.

The **Foil & Specialty Effects Association** (FSEA) represents and supports companies that specialize in trade finishing. Since its inception in 1992, the FSEA has worked towards industry awareness and growth in existing and emerging print enhancement technologies. It is their goal that each member realizes direct benefits through his/her involvement with the FSEA. The FSEA sponsors the Gold Leaf Awards nationally.

Midwest Printing & Graphic Association, Inc. (MPGA), founded in 1921, is an organization of people engaged in the allied industries of the Graphic Arts, who are sincerely interested in their individual progress and in the advancement of the graphic arts industries. The purpose of MPGA is to promote education, technology and improve social relations, friendship and cooperation among the members of the graphic arts industry. The MPGA sponsors the Gallery of Printing Excellence Awards locally in the Des Moines, Cedar Rapids, and eastern Iowa areas.

PIA-MidAmerica has been in existence for over 50 years and has provided the state's printing and imaging industry a forum in which companies have been able to come together and work on common problems, as well as share information. By working together, owners can run their companies more efficiently; comply with strict environmental regulations; train the workforce of the future; create group buying opportunities; network with their peers; and keep up-to-date on the rapidly changing technology and markets of the industry. The PIA-MidAmerica sponsors the Graphic Excellence Awards locally in Kansas City and surrounding areas.

Printing and Imaging Association Mountain States (PIAMS) is a regional trade association with members representing companies in every aspect of graphic communications covering Colorado, New Mexico and Southern Wyoming. The mission is to help its members achieve success by providing the

benefits of group effort, and by providing those services and activities which are of value to members in operating their business."
